SUBJECT: Resume of OCB Luncheon Meeting, 6 March 1957

PRESENT: Mr. Herter, Mr. Cutler, Mr. Dulles, Mr. Larson,
Mr. Hollister, Mr. Sprague, Adm. Strauss, Mr. Gray,
Mr. Staats

1. NSC Activities

Mr. Cutler reported on the NSC meeting of 27 February, and referred to the lively discussion on the Planning Board paper listing certain critical items of foreign policy.

2. Secretary of the Navy's Invitation to OCB and Staff to Naval Maneuvers April 15-16

Mr. Cutler reported that the Secretary of the Navy had invited the members of the OCB and the staff to go to Jacksonville and board the Aircraft Carrier, USS President Roosevelt, for maneuvers April 15-16. Copies of the invitation are to be sent to the various members of the OCB.

3. OCB Discussions of Urgent Business

Mr. Cutler then discussed generally the work of the OCB and felt that it would be well to go back to a previous practice of discussing at lunch urgent problems in the foreign field where coordinated action was desirable.

4. P. L. 480 Funds for Pakistan

Mr. Herter referred to the delay in advising Pakistan that we could not make funds available to them under P. L. 480, as funding under that section was exhausted. Mr. Hollister reported that during his recent visit to Pakistan he had clearly informed officials of Pakistan to that effect.

5. Gaza Refugees

Mr. Herter reported that the Foreign Minister of Israel had advised him that Israel was ready, when a settlement of pending problems was reached, to take back 25,000 of the Gaza refugees.

6. Syria

The DCI gave a brief report on the status of the Syrian situation.

7. Chinese Refugees in Hong Kong

DCI referred to the discussion at the NSC that morning with regard to aid to the Chinese refugees in the Hong Kong area. He said that this seemed to be a major problem as a million refugees were involved and the number was increasing at the rate of some 80,000 annually. He suggested that a full study of this matter might be desirable to ascertain where responsibility lay, and how we could prevent this from becoming an unending relief problem.

8. Nile Water Conflict Between Egypt and the Sudan

The DCI gave Mr. Hollister a report on the distribution of the Nile waters in answer to an inquiry he had made in an earlier meeting.

9. Swiss Offer to Buy F-86d's

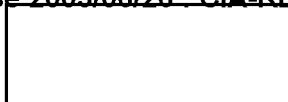

There was some discussion of an offer by Switzerland to buy a hundred F-86d's which had at one time been programmed for Yugoslavia and were now eating up funds as storage costs. Apparently the Swiss were ready to pay cash to the tune of \$26,000,000 for these aircraft. It was generally agreed that this was a matter between State and Defense but that it would be a very desirable deal to consummate, particularly if it could be done without alerting
